

What This Grade Means

 **C+ / B- = "Adequate with Significant Limitations"**

✓ Pass Standards:

- Competent empirical work
- Identifies real problem
- Honest scholarship
- Valuable documentation

✗ Falls Short Of:

- Theoretical development
- Methodological rigor
- Causal inference
- Comprehensive contribution

Publication Context

✓ **Appropriate for:** Health management journals
Current: *Frontiers in Public Health* (Q2 journal)

✗ **Not ready for:** Q1 finance/management journals
Examples: *Journal of Finance*, *Strategic Management Journal*, *Journal of Health Economics*

For Advanced Corporate Finance Course

This paper is **valuable teaching material** despite grade - excellent for discussing model limitations, institutional context, and research design challenges
